

The Association of Southeast Asian Social Enterprises for Training in Hospitality & Catering

ASSET-H&C

ASSET-H&C is a network that brings together vocational training centres, willing to work together hand in hand, to better fulfil their common social mission: To bring positive change to the lives of young people from socioeconomically disadvantaged backgrounds, by teaching them trades that will allow them to successfully integrate into society.

To reduce the social and economic barriers that prevent students from accessing and successfully completing their training, ASSET-H&C members provide an annual total of more than 1400 youths with training that usually includes free accommodation, food, and health care. The network was launched in 2016 and consists of 13 members in four countries (Cambodia, Myanmar, Thailand, and Vietnam).

OUR MISSION

Facilitate the exchange of experiences and resources

Strengthen schools' capacities through technical support

Promote impactful visibility to the member schools

Champion sustainable futures

Empowering the young people of today to become the highly skilled professionals of tomorrow.

Association of Southeast Asian Social Enterprises for Training in Hospitality & Catering

“ I have a clearer picture about how to properly make a lesson plan, write correct learning objectives and be aware of the importance of assessment tools, learning styles and teaching approaches. After the workshop, I can apply many of these concepts in my practical classes.”

Nga - Bakery Trainer, LBF HCM - VN

Trainers at Workshop, Hanoi, 2022

OUR MISSION

To improve the educational quality at our member schools, the PROF program creates a sustainable training system to enhance trainers' pedagogical capacities. The increased quality of training will translate into greater motivation and better job integration for students. The program will also create a community of trainers in Southeast Asia to ensure sustainable peer learning.

PROJECT ACTIVITIES: 2022 - 2024

1

Train the trainers

46 trainers participate in:

2

Create the sustainable training system

10 selected trainers will be equipped to train the trainers of their schools

3

Sustain the trainers' system and community

Animate the trainers' community, evaluate training progress, and conduct a refreshment training (parallel structure) for the 10 trainers

OUR IMPACTS

1150 students
of which 64% are female, will benefit from this program

46 trainers
increase their pedagogical skills, including 10 PROF trainers

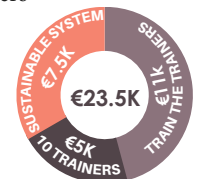

80% commitment
trainers commit to stay at least 3 years in the school

100% satisfaction
alumni find lessons applicable in their job 1-year after graduation

GET INVOLVED

- Sponsor whole program/single activity
- Host the workshop at your location (incl. training venue, accommodation, and meals)
- Share your expertise as a speaker and organize extra activities for trainers
